**visit to the Hôtel de Murs in Carpentras followed by a walk**

**Wednesday 9 April 2025 at 2PM**

Carpentras has many substantial but not well-known 18<sup>th</sup>-century mansions (hôtels particuliers). The Hôtel de Murs (now used as a branch of the École Marie Pila) is the most architecturally impressive with some fine interior features. A visit inside will be followed by a walk round central Carpentras to look at the 18<sup>th</sup>-century exteriors of several other hôtels particuliers. We will finish up at a café.

Price: members - €5, non-members - €8 (excludes café bills),

to fund a donation to the school
